The place to be for your Scottish Caravanning or Camping holiday.

Located at Stranraer in the warm South West of Scotland.

Surrounded by beautiful landscapes and Scottish history, giving easy access to all Scottish locations, Irish locations, and North West England.

We also accept rallies in our dedicated Rally area. Please select the "Book Rally" link. Our site is equipped with numerous electric hook-up points covering both grass & hard standing areas for Caravans & Motorhomes. We do not have electric hook-ups for tents. Local services are located 1 mile from the site which include Supermarkets, Railway Station, Marina, Leisure facilities and the local town centre. The Surrounding area also has activities such as Horse Riding, Fishing, Clay Pigeon shooting, Paint Balling and much more. We accept:-

- Touring Caravans (Electric Hook-ups available)

- Motor Homes (Electric Hook-ups available)

- Tents (Sorry, no electric Hook-ups)

- Club Rallies (Dedicated field with limited Hook-ups & Toilet/Shower facilities) Please use our " Local events " and "

What to see and do " links on the left to find out whats on and what to see in our area (our events page is currently being populated with 2010 event details as the information becomes available). We do allow pets on site, but please keep

Dogs on a lead at all times. There is a large wildlife population on and around the site and this is not only to protect the wildlife, but to protect you from losing your dog. If you're Traveling by ferry to or from Ireland, we are 1 mile from

the Stena ferries, or only 6 miles from P&O ferries in Cairnryan, making us an ideal stop over point for your trip. We are open all year round for Touring Caravan & Motorhomes. Our Grass areas are open from the end of April to the end of

September each year (weather depending, including areas for tents). At all other times the hard standing areas are open. As all our prices are seasonal, please contact us for the current prices. Our all new online Camping shop is now

open. You will find a selection of tents & accessories for all budgets. Please use the "Online Camping shop" link on the left to view our product ranges. Please use the links on the left to navigate our website. PLEASE NOTE. As from

22/07/2009 all Analog television services in our area were discontinued. You will need a Digital TV, Digital TV Receiver or Satellite TV to receive any TV stations.
